ANNUAL ADMINISTRATIVE FEE

Thank you for choosing Evangelion Medical as your partner in healthcare. We look forward to a long-term relationship with you and your family.

Evangelion Medical is committed to providing you with exceptional care. Many changes have taken place in the healthcare industry, and amongst these changes is the rise in administrative costs of operating a medical practice. Services once covered by insurance are now either partially covered, covered under certain medical necessity, or not covered at all. We want to continue to provide you with the highest quality medical care, but unfortunately, this requires providing services your insurance company will not cover.

After much consideration, Evangelion Medical finds it necessary to charge an Annual Administrative Fee (AAF) of $225.00 per patient, with a discount of $50 for additional patients per immediate family. The AAF is intended to cover services such as maintaining medical records, prior authorization, completion of immunization records, third-party forms, insurance filings and applications, email correspondences, etc.

Please note that your insurance company will not cover the annual administrative fee or any of these services.
We suggest that you pay the AAF at your earliest convenience each year, however, it is due by December 31st each year and is nonrefundable. You may speak with a receptionist to pay your AAF.

Evangelion Medical values the opportunity to provide care for you, and we desire to maintain the most exceptional care. Thank you for your understanding.

By signing this form, you acknowledge that your insurance will not cover your AAF because the fee is for uncovered services. You also agree to assume financial responsibility for payment and not to submit a bill to your insurance provider for the AAF.

PATIENT OFFICE POLICIES

Payment Terms
Co-payments and deductibles are due at the time of service. Payment plans are only available by prior agreement. A $50 fee applies to payments with insufficient funds, which must be paid immediately along with the original charge, or the case will be sent to the District Attorney. Outstanding balances must be paid before future services.

No-shows and Missed Appointments
Missed appointments without a 24-hour notice or arrivals more than 15 minutes late are considered no-shows. A $50 rescheduling fee applies per 15-minute increment and must be paid before rescheduling.

Record Reproduction Terms
Request for reproduction of paper medical records for legal, insurance, or private use will incur a fee of $25.00 for the first 20 pages and $0.50 per page thereafter. A request for records in electronic format will incur a fee of $25.00 for 500 pages or fewer and $50.00 for more than 500 pages.

Additional Provider Paperwork Terms
Form completion, disability paperwork, or similar requests are $200 per activity unless completed during a dedicated appointment. Forms requiring only a signature may be completed for $50 if deemed appropriate by the provider.

Patient Behavior and Interaction Terms
Abusive, dishonest, or non-compliant behavior will not be tolerated and may result in dismissal from the practice and reporting to authorities. Dr. Cochran reserves the right to terminate the physician-patient relationship at any time, with reasonable notice provided for care transfer.

Phone Calls and Requests
Patients must allow 24 hours for refill requests or non-urgent phone call returns.

Minor Patients Terms
Minors must be accompanied by a legal guardian or legal representative. Non-parental adults must present signed consent or legal documentation.

Service Restriction Terms
Appointments are required. Dr. Cochran does not provide hospital, nursing home, or chronic inpatient care. Non-English speakers must bring a translator or be rescheduled. One visitor per patient is allowed (excluding parents of minors). The practice does not participate in legal, insurance, Workers' Compensation, or disability cases. Legal actions involving providers will incur fees payable by the issuing party; a fee schedule is available on request. Testimony will be impartial and fact-based.

Controlled Substance Policy
This policy reflects evolving standards and regulatory requirements, not distrust in our patients. Controlled substances include, but are not limited to:

- **Narcotics** (Hydrocodone, Norco, Vicodin, Tramadol, etc.)
- **Stimulants** (Adderall, Vyvanse, etc.)
- **Benzodiazepines** (Xanax, Klonopin, Valium, etc.)
- **Hypnotics** (Ambien, Lunesta, etc.)
- **Hormones** (Testosterone or Hormone Replacement, etc.)

Long-Term Pain Management: Due to patient safety concerns, rising national misuse, and stricter Texas Medical Board regulations, Evangelion Medical generally does not provide ongoing narcotics.
Office Visits: No refills of controlled substances will be given without an office visit. **Visits do not guarantee a prescription**. An initial visit is required to begin any controlled substance. **Follow-up is required at least every 3 months** (or monthly, per some insurance rules). A $20 fee applies to prescriptions issued without an in-person appointment.
Prescription Duration: Most narcotics will be prescribed for no more than 30 days; some other controlled substances may be given up to 90 days at the provider's discretion, with compliance and insurance approval.
Drug Testing: Patients on or requesting controlled substances may be randomly tested for compliance. Any illegal substance use (e.g., marijuana, cocaine, heroin) will result in the discontinuation of prescriptions and may lead to dismissal from the practice.
Specialist Involvement: Patients under the care of a specialist (e.g., pain management, psychiatry, orthopedics) for controlled substances will not receive those prescriptions from this office. If a patient stops seeing the specialist, it is their responsibility to secure another provider.
Non-Compliance: Dishonesty or failure to follow this policy will result in discontinuation of controlled medications and possible dismissal from the practice.

COURT ACTION & SUBPOENA POLICY

This policy is purposefully designed to discourage patients from having their physician/provider subpoenaed to civil court matters. This is not only in the best interest of Evangelion Medical physicians and providers, but it is also in the best interest of the patient. Court appearances, depositions, preparation times, and other legal matters take time away from the patients. Physicians and providers are forced to focus on issues of law instead of matters of healthcare and medicine, which is not in the best interest of the patients, staff, or the community at large.

All actions and court appearances undertaken by the physicians and providers at Evangelion Medical because of a subpoena or other legal action will result in respective fees incurred by the issuing party. A complete fee schedule is available upon request. The party that issues the subpoena will be responsible for all costs incurred, but this does not mean that testimony or records produced will be solely in your favor. Testimony must be based strictly on the facts of the case and the physician or provider's professional opinion, including when answering questions from opposing counsel.

I acknowledge that I, the patient or guardian of the patient, have received this notice declaring that all fees associated with issuing a subpoena or other legal mechanism requiring action on the part of Evangelion Medical or any of its physicians or providers. I acknowledge that I can request a complete fee schedule if desired.
